2. Grant of Rights

2.1 Copyright License

(a) **Retention of Ownership:** You retain ownership of the Copyright in Your Contribution and maintain all rights to use, modify, or license Your individual Contribution independently of this Agreement.

(b) **License Grant:** To the maximum extent permitted by applicable law, You grant to Us a perpetual, worldwide, non-exclusive, transferable, royalty-free, irrevocable license under the Copyright covering the Contribution, with the right to sublicense such rights through multiple tiers of sublicensees, to reproduce, modify, prepare derivative works of, display, perform, and distribute the Contribution as part of the Material, subject strictly to compliance with Section 2.3.

2.2 Patent License

For patent claims including, without limitation, method, process, and apparatus claims which You or Your Affiliates own, control, or have the right to grant, now or in the future, You grant to Us a perpetual, worldwide, non-exclusive, transferable, royalty-free, irrevocable patent license, with the right to sublicense these rights to multiple tiers of sublicensees, to make, have made, use, sell, offer for sale, import, and otherwise transfer the Contribution and the Contribution in combination with the Material (and portions of such combination). This license is granted only to the extent that the exercise of the licensed rights infringes such patent claims, subject to compliance with Section 2.3.

2.3 Outbound License (Dual-Licensing and Enterprise Commitment)

Based on the grant of rights in Sections 2.1 and 2.2, if We include Your Contribution in the Material, **We may license the Contribution and derivative works under any license, including copyleft, permissive, commercial, or proprietary closed-source licenses (such as an Enterprise Edition)**.

As a condition and binding commitment on the exercise of this right, We agree to **also** license and make available the Contribution under the terms of the open source license We are using for the Material on the Submission Date (specifically the **European Union Public Licence - EUPL v1.2** or any later official version).

In addition, We may distribute Media included in the Contribution under the **Creative Commons Attribution 4.0 International (CC-BY 4.0)** license.

2.4 Moral Rights

If moral rights apply to the Contribution, to the maximum extent permitted by applicable law, You waive and agree not to assert such moral rights against Us, our successors in interest, or any of our licensees (direct or indirect), without prejudice to statutory rights of attribution where non-waivable under mandatory governing law.

2.5 Our Rights

You acknowledge that We are under no obligation to accept, merge, or use Your Contribution as part of the Material, and We reserve the right to curate contributions at our sole discretion.

2.6 Reservation of Rights

Any rights not expressly licensed under this Agreement are expressly reserved by You.

4. **If You are an Entity:** The individual signing or confirming this Agreement is formally authorized to execute it on behalf of the Legal Entity, and the grant of rights binds the Legal Entity and its designated contributing personnel.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY LOSS OF PROFITS, LOSS OF DATA, INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES ARISING OUT OF THIS AGREEMENT, REGARDLESS OF THE LEGAL THEORY ON WHICH THE CLAIM IS BASED.
